SERVE UP AN INSIDE LOOK AT THE WORLD OF HBO'S *GIRLS* WITH *THE UNOFFICIAL GIRLS GUIDE TO NEW YORK*

HBO's *Girls* has gripped millions with its depiction of struggling twentysomethings in New York. Simultaneously riveting, discomfiting, and relatable, the unfolding story of Hannah Horvath and her friends continues to spark conversation about the millennial generation, and the city that forms the backdrop for their story: New York.

Get to know New York the way the girls of *Girls* know it before the show returns for its third season (January 2014) with *The Unofficial Girls Guide to New York: Inside the Cafés, Clubs, and Neighborhoods of HBO's Girls*. More than just a travel guide, *The Unofficial Girls*

Guide to New York provides an insightful tour of *Girls*' physical and cultural landscape. It's the best way to visit *Girls*' New York without paying for a plane ticket or the perfect complement to a trip to the Big Apple and beyond. Inside:

- Step into Café Grumpy and learn how to make a French press coffee the way Ray and Hannah would
- Go behind the scenes at Greenhouse, where Hannah and Elijah dance to the beats of iPad DJs AndrewAndrew
- Recreate Jessa and Thomas-John's Foundry wedding cake, with buttercream icing made from local NYC rooftop honey
- Walk the streets of Adam's Prospect Heights neighborhood and grab a pierogi at Christina's Polish Restaurant in Greenpoint
- Shop *Girls*-style from the West Village and the Lower East Side to Nolita

- Plus a lot more, including Bushwick warehouse parties, the Lower East Side gallery scene, Washington Square Park, and Roberta's, Brooklyn's hippest pizza place

The Unofficial Girls Guide to New York features 21 illustrated maps, and more than 100 photos and 20 recipes to bring *Girls'* favorite haunts to life.
